Technical specifications

Produced in high quality polypropylene completely recyclable, highly wearproof.
High value between resistance and weight.
Easy to fit up.
Available in different dimensions.
Possibility to customise it as per customers needs.

Caratteristiche tecnico-qualitative

Realizzato con polipropilene di alta qualità completamente riciclabile. Resistente all'invecchiamento. Caratterizzato da un alto valore del rapporto resistenza / peso. Facile da montare. Disponibile in diverse dimensioni. Personalizzabile in relazione alle esigenze del cliente.

Características técnica y cualitativas

Realizado en polipropileno de alta calidad totalmente reciclable. Resistente al envejecimiento. Dispone de un elevado valor de la relación resistencia/peso. Se monta fácilmente. Disponible en diferentes dimensiones. Se puede personalizar.

Technische Qualitative Merkmale

In Polypropylen von höher Qualität ausgefertigt, vollständig recycelbar. Widerstandsfähigkeit gegen Alterung hält hochwertiges Verhältnis von. Gewicht / Widerstandsfähigkeit einfachmontage. Verfügbar in verschiedene Maße. Personalisierung nach Kundenbedarf.

Caractéristiques techniques

Réalisé en polypropylène de qualité supérieur et complètement recyclable. Résistant à l'usure. Valeur élevé du rapport entre résistance/poids. Facile à monter. Personnalisable selon les exigences du client. Disponible an plusieurs dimensions.
